### ADDENDUM #2

November 30, 2016

On November 3, 2016 the City of Birmingham invited bids for refurbishing (4) door cab fully enclosed pumper and 75' tandem quint fire apparatus, Invitation to Bid #16-65. Said bid to be opened 2:00 p.m., December 5, 2016.

#### PLEASE NOTE:

- (1) Page 1, fifth paragraph; page 2, eleventh paragraph make reference to a statutory payment bond which is to be defined as a Labor and Material Payment Bond.
- (2) Desired delivery of completed apparatus (units) is restated/redefined to be 75 calendar days/unit to run consecutively from date of pickup until delivery of the completely refurbished units to the City. Should successful bidder (contractor) pickup (2) units at a time, bidder will have 75 days per unit or no more than 150 days to deliver both completely refurbished units to the City. Contractor can deliver refurbished units to the City as they are completed. Contractor should pickup additional unit to be refurbished each time a completely refurbished unit is delivered to the City. Units are available for pickup at any time.
- (3) Contractor can invoice the City as the completed units are delivered. Contractor should not expect to receive payment from the City sooner than 30 days of final acceptance and receipt of invoice; whichever is later.
- (4) Page 5, paragraph 6, next to last sentence change, "Exceptions to Exceptions" to read "Exceptions to Specifications".
- (5) Page 21, Attachment A, last sentence reference to "bid for remounting and refurbishing ambulances", which is changed to read "bid for refurbishing (4) door cab fully enclosed pumper and 75' tandem quint fire apparatus. Corrected page enclosed.
- (6) Page 22, Bid Form, optional item for rear wheels Accuride 41644 for the pumper was omitted. Enclosed is a corrected page 22 (bid form).
- (7) Page 6a and page 13, Pump Test sections requires a full recertification pump test with all test result documentation provided to the City at time of delivery of each unit.

- (8) Page 8, Page 13, Crossmember section refers to chassis Crossmember.
- (9) Page 8, page 13, Electrical System section is requesting to have a foot switch installed on the driver's side floor (next to the door). On the officer side a foot switch installed on the console along with a siren brake switch.
- (10) Bid opening has been rescheduled. New bid opening is scheduled for 2:00 p.m. December 19, 2016.
