SPECIFICATIONS FOR NEW AND REMANUFACTURED TONER CARTRIDGES
FOR
THE CITY OF BIRMINGHAM

The City of Birmingham is seeking bids for an annual contract for new and remanufactured toner cartridges. The basis of the bid shall consist primarily of any and all toner cartridges which the City may require during the life of the contract. The City intends to award to the lowest priced responsive, responsible bidder(s) on a group basis.

The proposed contract shall extend for a minimum time frame of one (1) year, with a month-to-month extension thereafter, at the prices originally bid, upon mutual agreement of both parties. This extension phase is not to exceed twenty-four (24) months. Prior to the end of the initial contract year or during any extension phase of this contract, the successful bidder(s) shall give the City an advanced thirty (30) days written notice if they wish to terminate the contract. During the extension phase of the contract should any product bid have a manufacturer's price increase which applies across the board to all sales of the product, the City shall allow the bidder to increase the bid price by the exact dollar amount of the manufacturer's price increase. Bidder must provide to the City printed documentation from the manufacturer of any such price increase at least thirty (30) days prior to implementing any increase in price. No increase in price shall be allowed during the first twelve (12) months of the contract.

Municipalities are not liable for sales tax: reference Code of Alabama Section 40-23-4. Costs normally considered pass through costs (property tax, use tax, delivery charge, etc.) to the customer by the provider must be included in any fee proposed (Code of Alabama Section 40-12-222). For the purchase of personal property, the City's policy is to apply a local preference option, as allowed by State of Alabama Code, Section 41-16-50, in determining the low bidder.

Bidders are required to provide two (2) copies of their original bid with their package.

The City will issue purchase order(s) to the successful bidder for the goods and/or services (bid items) that are the subject of the bid. Unless otherwise agreed in a writing that is signed by both parties, the entire agreement between the City and the successful bidder concerning the bid items is comprised of the terms, conditions, specifications and requirements stated in (a) the contemplated purchase order(s), (b) this Invitation to Bid and Specifications and (c) your bid (collectively, the "Contract Requirements"). These writings supersede all former proposals, offers, negotiations, representations or agreements, either written or oral, concerning the provision of vendor's goods and/or services. By acceptance of the City's purchase order(s), the successful vendor agrees to abide by and perform its responsibilities related to the bid items in compliance with the Contract Requirements.

Each bidder is to extend prices and provide a total for the bid being submitted. In order for any bid award to be considered that exceeds $10,000.00 your bid must have been accompanied by an acceptable bid bond, certified check or cashier's check in the amount of $500.00. Bid bond checks will be returned to all unsuccessful bidders after the formal award is made and to the successful bidder after acceptance of award. Should the successful bidder fail to accept the award, the bid bond check shall be forfeited.

Contract award to purchase the materials covered in this bid document shall be construed under and governed by the laws of the State of Alabama and each party hereto irrevocably agrees to be subject to the jurisdictions of the courts of the State of Alabama.

The City's standard payment term is Net-30 Days from acceptance. Exception may be allowed for discounted early payment, such as 2%-10, Net 30 Days. The reference date for all such discounted early payment terms will be the date the invoice is received or the date the goods are received, whichever is later. In the event of a dispute the City's record shall prevail. **The City will not consider any bids requiring C.O.D. payments.**

Vendor (and its employees, agents and any subcontractors) shall not discriminate on the basis of race, color, national origin, or sex in the performance of the services contemplated hereunder. Failure by the Vendor to carry out these

requirements is a material breach of its obligations, which may result in its termination or such other remedy as the City deems appropriate.

Vendor acknowledges and agrees that, consistent with federal law and City's public policy, it will encourage disadvantaged business enterprise (DBE) participation to the extent permitted by law. A "disadvantaged business enterprise" is a for-profit small business concern (i) at least 51% owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51% of the stock is owned by one or more such individuals; and (ii) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it. In accordance with federal law, a "socially and economically disadvantaged individual" includes African-Americans, Hispanic Americans, Native Americans, Asian-Americans, women, and any additional groups designated as socially and economically disadvantaged by the Federal Small Business Administration.

Successful bidder acknowledges and agrees that the City has the right to deduct from total amount of consideration to be paid, if any, to the successful bidder under this agreement all unpaid, delinquent, or overdue license fees, taxes, fines, penalties and other amounts due the City from the successful bidder.

The City of Birmingham must have a copy of the successful bidder's current City of Birmingham business license prior to formal award of contract. Each bidder may submit a copy of his/her license along with his/her bid. However, bidder must provide a copy of his/her current business license no later than seven (7) working days of receipt of notice of intent to award. Failure to submit the requested information will result in the notice of intent to award being revoked.

Any successful bidder who is not currently set up as a vendor in the City of Birmingham vendor file will be required to submit a completed W-9 tax form prior to any award. The W-9 tax form may be submitted with your bid or no later than seven (7) working days of receipt of notice of intent to award.

Successful Vendor (located in the State of Alabama or located outside of the State of Alabama, but employs one or more employees within the State of Alabama) represents and warrants that it does not knowingly employ, hire for employment, or continue to employ an "unauthorized alien", as defined by the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, Act No. 2011-535 (H.B.56) of the Alabama Legislature, as amended from time to time (the "Act") and that, during the performance of this contract, Vendor shall participate in the E-Verify program as required under the term of the Act. Vendor agrees to comply with all applicable provisions of the Act. As a condition for the award of any contract, Vendor shall provide documentation establishing that the Vendor is enrolled in the E-Verify program, or a signed, written statement that the Vendor does not have a presence (one or more employees) in the State of Alabama. Vendor may submit applicable documentation with his/her bid or no later than seven (7) working days of receipt of notice of intent to award.

Failure to adhere to any or all terms, conditions, and specifications as set forth in the contract may result in the immediate termination of the contract. Should termination occur, the holder of the contract may be declared a "non-responsible vendor". This declaration may result in the rejection of any future bids submitted by the vendor for a period of time to be determined by the City.

The City of Birmingham does not anticipate utilization of a long, formal, written contract document to bind the City and the successful bidder to an agreement. The City will issue purchase orders to the successful bidder(s) as material is required. The successful bidder(s) acknowledges by acceptance of City purchase orders for awarded items that the bidder(s) is/are bound to the terms, conditions and requirements as stated in this document.

A purchase order number is required for any and all orders. Shipments made without a purchase order number are at the vendor's risk. The City will issue purchase orders to vendors, as items are required.

All bids submitted are to be considered as a delivered price to the City of Birmingham. Delivery location will be specified on individual purchase orders and there are approximately 70 delivery locations (additional locations may be

added at a later date). Any bid that imposes a service fee, and/or reversal of freight charges or any other type of fee on any order not exceeding a minimum order quantity or minimum purchase order dollar amount, will be determined a "non-responsive bid" and will not be considered for award.

Bids may be solicited for any product included in this contract where an immediate/emergency need exists, including large quantities. The decision of the Purchasing Agent as to what constitutes a biddable situation shall be final and shall not be construed as a breach of contract.

Should other toner cartridges currently not shown on the bid form be required during the life of the contract, the City reserves the right to seek verbal bids from only the responsible respondents of this Invitation to Bid, and to make an award of the additional items to the lowest responsible bidder(s) for the remaining life of the contract.

The City reserves the right to cancel the contract, in whole or part, and seek new bids at any time the City determines that the item(s) or product line(s) being supplied is/are failing to perform satisfactorily.

Invoice(s) are to be sent to the address listed on the purchase order section titled "Invoice To" within thirty (30) days. Should a vendor not adhere to this stipulation they may be deemed a non responsible bidder, which may result in its termination or such other remedy as the City deems appropriate.

Any questions concerning these specifications should be addressed to the Purchasing Division, Attn: Artelia Macon, Principal Buyer at (205) 254-2265 or Fax: (205) 254-2484, between the hours of 9:00 a.m. & 4:00 p.m. Monday thru Friday.

The City may require samples of any product before an award is made. Any samples requested must be made available to the City within seventy-two (72) hours of request. Failure to provide the samples within this time frame will result in the rejection of the products from award consideration. Said samples will be a factor in the evaluation of bids.

The City has limited storage facilities so timely delivery shall be a factor of consideration. The successful bidder shall guarantee full delivery within the time frame quoted by bidder on the bid form. Consistent failure to meet delivery times will constitute grounds for the termination of the awarded section of the contract and the declaration of the vendor **as a** "non-responsible vendor". This declaration will result in the rejection of any future bids submitted by the vendor for a period of time to be determined by the City.

Bidder is to provide price sheets (list price sheet or resale price sheets) and state the rate(s) of discount used to determine the bid price for each group of items or individual items on the bid form.

NOTE: Throughout the life of the contract for New and Remanufactured toner cartridges, additional cartridges will be added to the contract as the City adds to its printer inventory. These cartridges must be discounted at the same or higher rate of discount as the cartridges on the original bid. The City will request pricing for additional cartridges as printers are added to its inventory. Said pricing to be firm and held in accordance with the original bid pricing dated _____2014???.

The City reserves the right to purchase more or less than this quantity as conditions require, and no bidder shall attempt to hold the quantities shown as a firm quantity under this contract.

The awarded vendor is to provide an annual usage report for all cartridges ordered from vendor. The report is to include cartridge part number, total quantity ordered for each cartridge per delivery location.

The City reserves the right to **cancel** the contract at any time should the percentage of defective or malfunctioning cartridges reach or exceed 15% of total received. Award will be based on a lot award of all toner cartridges to the lowest priced responsive responsible bid submitted. Credit allowance for used toner cartridges will be a factor in the determination of the low bidder.
