2. The model for the EBZ65000 Blower is incorrect. The model should be EBZ 6500RH (throttle on nozzle.).
3. City intends to award to the lowest priced, responsive, responsible bid submitted on a line item basis. City reserves the right to award based on the base bid, alternate bid or any combination of the two. Should the City decide to order a combination of the base bid and alternate bid for any item, the City will award both versions of the same item to one bidder based on the combined total price for the two versions of the same item.
4. A corrected bid form is enclosed.
5. Bid opening remains as originally scheduled, 2:00 p.m. September 7, 2016.
