ADDENDUM #1

J. THOMAS BARNETT, JR.
FINANCE DIRECTOR

RON NICKEL
PURCHASING AGENT

WILLIAM E. CAFFEE
ASSISTANT PURCHASING AGENT

The City of Birmingham invited bids for unleaded gasoline, E-85 ethanol fuel and ultra-low sulfur diesel fuel bid #15-26. Said to be opened 2:00 p.m., April 30, 2015.

PLEASE NOTE:

- (1) The following are questions asked by potential bidders and the corresponding answers provided.
 - A. Have any addendums been released? No. Check City's website for addenda per 2nd paragraph of ITB 15-26.
 - B. When is the anticipated award date? Within sixty (60) days of bid opening date.
 - C. Who is your current vendor? Allied Energy
 - D. Can I please have a copy of the previous year's bid tabulations? See attached.
 - E. Can I please have 2 gasoline, 2 E85, and 2 Diesel invoices along with Bill of ladings from the previous contract? See attached.
 - F. Do you require winter additive during the winter months, if so we do include this in our price or do we bill this as a separate line item? See page 6 of the bid document. The Birmingham Rack Price reflects the price for the required blend for each class or seasonal grade product. Therefore, you just apply the markup or markdown bid. There is no need to do any price adjustments.
 - G. What are your delivery hours? Normal delivery hours are 7:00 am until 3:00 pm, Monday thru Friday except for City's recognized holidays when facilities are closed.
 - H. What is your local preference? 3%
 - I. Is our proof of insurance acceptable? The City requires a copy of your certificate of insurance from your provider with the City named as an additional insured. See page 4 of the bid document.
 - J. Do you accept bio diesel in your diesel? No

- K. For the pricing, if we delivered today, we would use the pricing for the opis weekly average from Thursday April 9, 2015? If you delivered 4-15-15, yes.
- L. For the tanks located within the county, does that mean we must have our own tanks or will a rack with suppliers out of Birmingham be ok? Bidder must have on hand inventories of unleaded gasoline, E85 and ULS diesel (own and control the product) within the 7 county area made up of Jefferson County and any county contiguous to Jefferson County. Buying straight from the rack does not meet the requirement. See page 4 of the bid document.
- M. Must we use our own trucks or is a common carrier acceptable? Either transport method is acceptable. If a common carrier is used, it should be same common carrier for the duration of the contract.

(2) Bid opening remains as originally scheduled: 2:00 p.m., April 30, 2015.

W.E. Caffee, Assistant Purchasing Agent

INVITATION TO BID #15-26

Sealed bids for unleaded gasoline, E85 ethanol fuel and ultra-low sulfur diesel fuel for a period of one (1) year and month to month thereafter upon mutual agreement of both parties, for the City of Birmingham, will be received by the Purchasing Agent, Room P-100 First Floor City Hall, Birmingham, Alabama until 2:00 p.m., April 30, 2015, at which time and place they will be publicly opened and read.

Bidders wishing to bid can download the complete solicitation including the specifications and bid forms via the internet at www.birminghamal.gov (go to link titled **Bidding Opportunities**), or by visiting the Purchasing Office at the address shown above, or by calling (205) 254-2265, fax (205) 254-2484 and requesting a copy be mailed to you. Any addenda will be available on the internet. Bidder is responsible for checking the website for addenda until bid opening date. Addenda will be mailed to only those vendors who were provided a copy in person or by mail.

Bids are to be submitted on the bid form provided, and all quotations are to be f.o.b. Birmingham, Alabama delivered.

It is required for any bid submitted that the bidder submits with his bid either a certified check, a cashier's check, or a bid bond payable to the City of Birmingham in the amount of \$5,000.00. In order for any bid award to be considered, it must be accompanied by an acceptable bid bond or check. Bid bond checks will be returned to all unsuccessful bidders after the formal award is made and to the successful bidder after acceptance of award. Should the successful bidder fail to accept the award, the bid bond or check shall be forfeited.

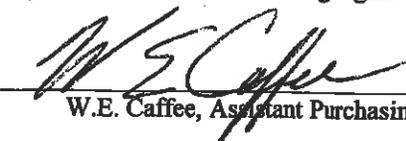

The City follows a policy of nondiscrimination. No contractor with the City should discriminate on the basis of race, sex, religion or national origin. Failure by the Vendor to carry out these requirements is a material breach of its obligations, which may result in its termination or such other remedy as the City deems appropriate.

No bid may be withdrawn for a period of sixty (60) days after the date of the bid opening.

The City reserves the right to reject any or all bids submitted in whole or part, and to waive any informalities.

Bids must be submitted in a sealed envelope marked, "**SEALED BID --GASOLINE/E85/DIESEL FUEL -- 2:00 p.m., 04-30-15.**" Bids may be hand delivered to Room P-100 First Floor City Hall, Birmingham, Alabama or mailed to City of Birmingham, P.O. Box 11295, Birmingham, Alabama 35202-1295. (**DO NOT MAIL BIDS TO ROOM P-100 FIRST FLOOR CITY HALL**). However, bids sent by express carrier (Federal Express, Airborne, UPS, etc.) must be mailed to 710 North 20th Street, Birmingham, AL 35203 and specify delivery to Room P-100 First Floor City Hall.

It is the bidder's responsibility to make sure that his bid is in the possession of the Purchasing Agent on or before 2:00 p.m., April 30, 2015. Bids received after this time will not be considered.

W.E. Caffee, Assistant Purchasing Agent

B.N. 04-08-15

DETAILED REQUIREMENTS:

Bidder Qualification: To insure product availability and prompt delivery capability, only bidders with fuel storage facilities with on-hand physical inventories of gasoline, E85, and ultra-low sulfur diesel fuel located within Jefferson County and any County contiguous to Jefferson County will be considered eligible for award. Bidders must provide the addresses of the qualifying storage site(s) and the storage tank capacities for gasoline, E85, and ULS diesel fuel in the spaces provided on the Bid Form.

Liability Insurance: For the duration of this contract and for limits not less stated below, the Contractor shall carry (i) general liability insurance (either primary or a combination of primary and umbrella coverage) with limits of not less than \$2,000,000.00 total with a maximum of \$500,000.00 for each occurrence and shall include, but not be limited to, personal injury, property damage, vandalism, property loss and theft; (ii) comprehensive automobile liability insurance concerning owned and rented vehicles operated by the Contractor with limits of not less than \$1,000,000.00 bodily injury per occurrence, \$1,000,000.00 property damage or combined single limit of \$1,000,000.00; and (iii) Workman's Compensation coverage in an amount adequate to comply with the statutory requirements. The City's bid number (15-26) must appear on any/all copies of the certificate of insurance.

All such insurance shall be provided by a policy or policies issued by a company or companies qualified by law to engage in the insurance business in the State of Alabama with a rating of B+ or better according to the most current edition of Best's Insurance reports. Bidder is to provide written documentation of the company's rating with their bid.

The Contractor may use umbrella or excess liability insurance to achieve the required coverages, provided that such umbrella or excess insurance results in the same type of coverage as required for the individual policies. These insurance requirements are in addition to and do not affect any indemnification obligation of the Contractor herein.

City Additional Named Insured: Except for Worker's Compensation coverage, all coverages shall contain endorsements naming the City, and its officers, employees and agents as additional named insured with respect to liabilities that arise out of and result from the operations of the Contractor or the performance of its work.

The additional named insured endorsement shall not limit the scope of coverage to the City to vicarious liability, but shall allow coverage for the City to the fullest extent provided by the policies. Such additional insured coverage shall be at least as broad as Additional Insured endorsement from ISO, CG 2010.1185.

Policies Primary: All insurance policies required herein are to be primary and non-contributory with any insurance or self-insurance program administered by the City.

Waiver of Subrogation: Contractor shall require the carriers of the above-required insurance coverage to waive all rights of subrogation against the City, and its officers, employees, agents, contractors and subcontractors. Further, Contractor hereby waives any rights of subrogation against the City. All general or automotive liability coverage provided herein shall not prohibit the Contractor or its employees, agents or representatives from waiving the right of subrogation prior to loss or claim.

Proof of Coverage: Before the commencement of services or work hereunder, the Contractor shall provide the City a certificate(s) of insurance and endorsements (including the additional insured endorsements) evidencing compliance with the requirements in this section. Evidence of insurance will not be accepted on a per event basis. These certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days advance notice to the City. In the event that the City is not notified that any of the coverage required herein is to be cancelled or changed in such a manner as not to comply with the requirements of this Contract, the Contractor shall, within fifteen (15) days prior to the effective date of such cancellation or change, obtain and provide the City with binder(s) of insurance evidencing the re-establishment of the insurance coverage required herein.

The City buys only Conventional Ethanol-10%, 9.0 RVP and LRVP Eth.-10%, 7.0 RVP (summer blend) regular grade gasolines. All gasoline supplied shall have a minimum Octane rating of 87. This rating is to be the average of the research method and motor method.

In the event a seasonal blend of gasoline (Ex. RVP-7 instead of RVP-9), is required in order to comply with environmental regulations, the same margin/increment of markup over the OPIS average as used for regular unleaded gasoline will apply to the seasonal blend.

The city buys only E85 fuel which the ethanol portion of the fuel blend is to meet ASTM D 4806, "Standard Specification for Denatured Fuel Ethanol for Blending with Gasoline for use as Automotive Spark-Ignition Engine Fuel". The hydrocarbon portion (unleaded gasoline) of the blend is to meet ASTM D 4814, "Standard Specification for Automotive Spark-Ignition Engine Fuel or Natural Gasoline". The finished E85 product is to meet the property limits as Outlined in ASTM D 5798 "Standard Specifications for Fuel Ethanol (Ed75-Ed85) for Automotive Spark-Ignition Engines".

The contract will cover the supply of Class 1 (summer grade), Class 2 (spring/fall), Class 3 (winter grade) E85 blends. The vendor will be responsible for delivering season appropriate fuel throughout the contract period. The vendor will Deliver the appropriate class fuel in advance of seasonal changeover periods so as to avoid vehicle performance issues during the each season.

The City buys only #2 ultra-low sulfur diesel fuel. Do not quote #2 dyed low sulfur diesel fuel.

Each bidder may be required to furnish complete specifications of the products being bid.

The City maintains seven (7) major fuel dispensing locations. The locations and tank capacities are as follows:

City Warehouse 431 6 th Ave. South	Unleaded - 20,000 gallons	Diesel - 20,000 gallons	
Downtown Service Station 1710 1 th Ave. North	Unleaded - 20,000 gallons	Diesel - 12,000 gallons	
City Garage 515 6 th Ave. South	Unleaded - 20,000 gallons	Diesel - 12,000 gallons	E85- 12,000 gallons
North Birmingham Public Works District Office 2413 27 th St. North	Unleaded - 20,000 gallons	Diesel - 11,000 gallons	E85- 12,000 gallons
East Birmingham Public Works District Office 301 96 th St. North	Unleaded - 20,000 gallons	Diesel - 10,000 gallons	
Ensley Public Works District Office 1044 Avenue W	Unleaded - 17,500 gallons	Diesel - 10,000 gallons	
5 Points West 4712 Avenue W	Unleaded - 20,000 gallons	Diesel - 20,000 gallons
