ADDENDUM # 2

On April 20, 2015, the City of Birmingham invited bids for a Multi-energy, single view X-ray screening system (15-35). Said bid to be opened 2:00 p.m., May 20, 2015.

PLEASE NOTE THE FOLLOWING QUESTIONS and ANSWERS:

- (1.) Could you please provide the dimensions of your elevator? We are unable to identify a standard sized elevator. Please provide the width of the elevator doors along with the width and depth of the elevator itself.

Door width 54"
Compartment Length 55"
Compartment Width 91"

- (2.) What are the expectations of the "keyboard test" referenced in Diagnostics, Section 6?

To test the control panel and the panel's individual keys, press each key on the control panel one at a time, each time checking to see if that key flashes on the control panel test screen. The flashing of the corresponding key on the screen indicates that that key and its associated function are operative.

- (3.) Bid opening remains as originally scheduled 2:00 p.m., May 20, 2015.
