I. BACKGROUND:

In 1995 the U.S. Department of Housing & Urban Development (HUD) introduced a consolidated application process involving four HUD Community Planning and Development (CPD) formula programs: Community Development Block Grants (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). This process replaced at that time all current HUD-CPD planning and application requirements with a single submission, and satisfied the minimum statutory requirements for the four referenced HUD-CPD formula programs.

In summary, the Consolidated Plan actually serves four separate, but integrated, functions. The Consolidated Plan is 1) A planning document for the City, which builds on a participatory process; 2) An application for federal funds under HUD's formula grant programs referenced above; 3) A strategy to be followed in carrying out HUD programs, and lastly; 4) An action plan that provides a basis for assessing performance.

The City's current Five Year Consolidated Plan covers the period July 1, 2010 thru June 30, 2015 and contains six basic components: (1) housing and homeless needs assessment, (2) housing market analysis, (3) strategies and priority needs and objectives, (4) action plan, (5) certifications, (6) monitoring. The action plan and certification portions of the document must be submitted annually to HUD for approval.

Copies of the City's PY 2010-2015 Consolidated Plan are available for inspection in the City's Community Development Department, 710 North 20th Street, Room 1000, Birmingham, Alabama from 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays. Copies are also available for inspection at the Birmingham Public Central Library, 2100 Park Place, Birmingham, Alabama, during regular business hours. Copies are also available for inspection on the City's website at www.birminghamal.gov.

II. PY 2011 ACTION PLAN:

The City's Proposed Action Plan is an annual description of the City's Federal and other resources that are expected to be available to address its priority needs and how the Federal funds will leverage other resources. The description includes proposed activities for Program Year (PY) 2011 (July 1, 2011 thru June 30, 2012) to address the needs identified in the City's PY 2010 thru 2015 Five Year Consolidated Plan. The Action Plan explains where the assistance will be directed by geographic area during PY 2011.

The Action Plan also includes narrative, maps and tables which identify the geographic areas in which it will direct assistance, a description of homeless and other special needs activities, as well as a description of other proposed actions to foster affordable housing, public housing improvements and resident initiatives, evaluation and reduction of lead-based hazards, reducing the number of persons below the poverty line, development of the City's institutional structure, efforts to enhancing coordination between housing and service agencies, and assistance to public housing.

Copies of the PY 2011 Action Plan are available for inspection in the City's Community Development Department, 710 North 20th Street, Room 1000, Birmingham, Alabama from 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays. Copies are also available for inspection at the Birmingham Public Central Library, 2100 Park Place, Birmingham, Alabama, during regular business hours. Copies are also available for inspection on the City's website at www.birminghamal.gov.

III. CONSOLIDATED PLAN AMENDMENT POLICY:

In accordance with the City's (HUD) Approved Consolidated Plan and Citizen Participation Plan, the City shall amend its Consolidated Plan Statement whenever it decides not to carry out an activity described in the Plan, or decides to carry out an activity not previously described or decides to substantially change the purpose, scope, location beneficiaries, or budgeted dollar amount of an activity. The amendment of a budgeted dollar amount of an activity in an existing Action Plan by more than 25 percent, plus or minus, shall be considered to be a substantial change for purposes of requiring a written amendment.

Prior to amending its Consolidated Plan, the City shall provide citizens with reasonable notice of, and opportunity to comment on such proposed changes in its use of funds. The City will consider any such comments, and if the City deems appropriate, modify the proposed changes. The city will make available to the public, and shall submit to HUD, a description of any changes adopted.

Additionally, the City will provide a period, not less than thirty (30) days, to receive comments, written or oral, on the substantial amendment prior to its adoption. A

summary of comments and views are attached to the substantial amendment of the Consolidated Plan.
