Minimum Order Quantities: The City will consider bids requiring reasonable minimum order quantities. Vendors are to state in the "Brand/Series/Counts column for each product any minimum order quantities required for the F.O.B. shipping of the item(s).

Failure by vendor to state a minimum order quantity will obligate vendor to ship any quantity ordered by the City. The City will reject any bid which requires an unreasonable minimum order quantity.

Special Shipping Requirements: Some items within this Invitation to Bid may have special shipping instructions indicated within the item's specifications on the Bid Form. Should the need for a substitute arise, the vendor should contact **Phillip Hyche, (Inventory Manager)** at the Central Stores Warehouse, (205) 254-6510, Monday through Friday, between the hours of 7:30 a.m. and 3:00 p.m. CDT for approval of any substitute before shipment is made. Partial Shipments: The Central Stores Warehouse as a rule accepts partial shipments. However, vendors should note that the receipt of a partial shipment of ordered goods does not alleviate the vendor's obligations for the complete shipment of goods by the due date as stated within the purchase order. Consistent failure to ship reasonably complete orders will constitute breach of contract and will result in the declaration of the vendor as a "non-responsible vendor" and subject to the aforementioned penalties of such declaration. For the purposes herein, "reasonably complete" shall mean at least 70% of the total quantity ordered by the City and indicated on the purchase order.

Late Shipments: The City will notify vendors with a written letter of warning each time an order is received later than five (5) working days past the due date. Receiving due dates are noted in the "**Maximum Delivery Times**" section of this specification. Any vendor receiving such a warning letter, will be required to submit to the City, in writing, a detailed explanation of the delay and what remedies have been implemented to insure future contract compliance. The City reserves the right to immediately terminate the contract with any vendor who receives a total of three (3) such letters of warning within any one (1) year time frame. Should termination occur, the holder of the contract will be declared a "non-responsible vendor" and subject to the aforementioned penalties of such declaration.

Failure to Ship Goods: The outright failure to ship any contracted goods ordered by the City will constitute breach of contract and the City reserves the right to immediately terminate the contract. Rejected Goods: Any goods rejected by the City, for whatever reason, are to be picked up by the vendor within forty-five (45) days of the date of written notice to the vendor of the rejection. The City shall seek all legal remedies available to it to dispose of any rejected materials left past this time frame including, but not limited to, transport to an approved and licensed landfill for disposal.

Rounding Up or Down of Quantities Shipped: The City as a rule will order whole count units (cases, boxes, pallets, etc.) whenever possible. No vendor should round up or down quantities ordered by the City without first receiving approval to do so.

Exceeding Maximum Delivery Times: Consistent failure by a successful vendor to meet the stated maximum delivery times will constitute grounds for the termination of the awarded items of the contract and the declaration of the vendor as a "non-responsible vendor" and subject to the aforementioned penalties of such declaration.

Item Specifications: Bidders are to bid items exactly as specified in the Bid Form. Bidders are to supply all requested product information in the areas provided on the Bid Form. Any exceptions should be noted in the "**Exceptions to Specifications**" space provided on the Bid Form.
