**SOIL EROSION AND SEDIMENT CONTROL
GEOTECHNICAL CERTIFICATION**

Certification:

I, _____, a registered
(check one below).

Civil Engineer Geotechnical Engineer Geologist

in the State of Alabama, and having sufficient geotechnical knowledge and experience to certify the following:

I am aware that the project site at _____ has been designated to be in a landslide susceptible area. I am aware of the clearing and/or earthwork to be done at this site and of the clearing and/or earthwork methods to be used. In my professional opinion, the work to be performed will not increase the slide susceptibility of this site or adjacent property.
