As a rule, when on-line ordering is used by the City, no hard copy of the Purchase Order will be mailed to the vendor. However, vendors may request that hard copies be mailed, and the City will comply with any and all such request.

Invoicing: All purchase orders issued by the City of Birmingham indicate an invoice mailing address based on the Department for whom the purchase order was issued. In order for timely payment to be received, it is imperative that vendors mail invoice copies to the so indicated address. Failure to do so will result in delayed payments. Do not mail invoices to the Accounts Payable Division.

Any product offered as a substitute must be of equal or greater quality and value as the one being substituted for. No price increase from the original contract price will be allowed. Should the need for a substitute arise, the vendor should contact Ernest Chiarella, (Print Shop Manager) at the Print Shop Stores, phone: (205) 254-2072, Monday through Friday, between the hours of 8:30 a.m. and 4:30 p.m. CDT for approval of any substitute before shipment is made. Partial Shipments: Print Shop Stores as a rule accepts partial shipments. However, vendors should note that the receipt of a partial shipment of ordered goods does not alleviate the vendor’s obligations for the complete shipment of goods by the due date as stated within the purchase order. Consistent failure to ship reasonably complete orders will constitute breach of contract and will result in the declaration of the vendor as a “non-responsible vendor” and subject to the aforementioned penalties of such declaration. For the purposes herein, “reasonably complete” shall mean at least 70% of the total quantity ordered by the City and indicated on the purchase order.

Late Shipments: The City will notify vendors with a written letter of warning each time an order is received later than five (5) working days past the due date. The City does not guarantee any specific quantity or dollar value of goods to be purchased during the life of the contract. Merchandise shall be ordered as requirements dictate. The City reserves the right to purchase more or less than these quantities as conditions require, and no bidder shall attempt to hold the quantities shown as a firm quantity under this contract. The City shall be allowed to order at any time, in any quantity (complying with vendor minimums if so stated and accepted) during the life of this contract.

Rounding Up or Down of Quantities Shipped: The City as a rule will order whole count units (cases, boxes, pallets, etc.) whenever possible. No vendor should round up or down quantities ordered by the City without first receiving approval to do so.
INVITATION TO BID

Exceeding Maximum Delivery Times: Consistent failure by a successful vendor to meet the stated maximum delivery times will constitute grounds for the termination of the awarded items of the contract and the declaration of the vendor as a “non-responsible vendor” and subject to the aforementioned penalties of such declaration.

Item Specifications: Bidders are to bid items exactly as specified in the Bid Form. Bidders are to supply all requested product information in the areas provided on the Bid Form. Any product specification literature submitted must adequately demonstrate that the item(s) being bid meets or exceeds the given specification.

Pressroom supplies will require delivery to the City Hall basement loading dock area wherein the City’s Print Shop is located. Any bidder that cannot make deliveries to this basement location is not to submit bids for this section as such bids will be rejected as invalid.
