

## POST-CONSTRUCTION AFFIDAVIT

I, the undersigned, a registered professional engineer in the State of Alabama and having sufficient geotechnical engineering experience to qualify me to do this type of work, do hereby affirm that I have periodically observed the construction of the footing, foundation, and/or retaining wall for (a) (the) building(s) to be constructed at:

and that said footings, foundations and/or retaining walls were completed on or about the \_\_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_ do hereby affirm that based on my observations the geotechnical aspects of said construction forms substantially to the geotechnical plans, drawings and specifications for foundation design titled:

and prepared by:

and filed with the Department of Planning, Engineering & Permits for the issuance of Building Permit No. \_\_\_\_\_ and were constructed accordingly and that said footings, foundations and/or retaining walls are consistent with the Building Code of Birmingham, Alabama and acceptable engineering practice for the surface ground slope and/or subsurface soil conditions present at the subject site.

Sworn to and subscribed before me this  
\_\_\_\_\_ Day of \_\_\_\_\_, 20\_\_\_\_
