RE: FY2023 RAISE Grant Application – Birmingham Urban Trail + Multimodal Corridor

Dear Secretary Buttigieg:

The Greater Birmingham AMBUCS strongly supports the RAISE grant application “Birmingham Urban Trail + Multimodal Corridor Birmingham Civil Rights Crossroads: Reconnecting Historic Neighborhoods Through Active Mobility” which is the result of a collaboration between the City of Birmingham, the Birmingham Jefferson County Transit Authority, Freshwater Land Trust, Urban Impact, REV Birmingham, and other local stakeholders.

This corridor will celebrate, honor, and revitalize the Smithfield neighborhood, the west side of Birmingham, and the Civil Rights District. It will be the spine of a growing multimodal transportation network, providing safe and equitable options via an urban trail and Complete Streets and creating a more walkable, bikeable, safe, connected, and livable community. This project is highlighted in many existing plans, including the Northwest Quadrant Plan and City Center Master Plan, and as a key corridor in the Red Rock Trail Plan.

The Greater Birmingham AMBUCS would strongly support and encourage our client base to use the proposed trails. We build custom built tricycles for children with disabilities and veterans. Creating adaptive trails would be a real asset to our community. We serve children from 2 years in to their 20's. We have fitted almost 1400 recipients since 2007, so we obviously have a lot of families who would benefit from this project.

By supporting these efforts, USDOT can showcase a project that aligns closely with its objectives under the Biden Administration's objectives, including enhancing access to opportunities for historically marginalized communities, creating an equitable transportation system that works for everyone, and transitioning to a more environmentally conscience network that prioritizes non-motorized users. This project will deliver healthy, innovative, resilient, and integrated transportation options for residents and visitors of the City of Birmingham.

Thank you for considering our application for RAISE Program funding.

Sincerely

Executive Director
Greater Birmingham AMBUCS
