The Equipment Management as a rule accepts partial shipments. However, vendors should note that the receipt of a partial shipment of ordered goods does not alleviate the vendor's obligations for the complete shipment of goods by the due date as stated within the purchase order. Consistent failure to ship reasonably complete orders will constitute breach of contract and will result in the declaration of the vendor as a "non-responsible vendor" and subject to the aforementioned penalties of such declaration. For the purposes herein, "reasonably complete" shall mean at least 70% of the total quantity ordered by the City and indicated on the purchase order.

FAILURE TO SHIP GOODS

The outright failure to ship any contracted goods ordered by the City will constitute breach of contract and the City reserves the right to immediately terminate the contract. Should termination occur, the holder of the contract will be declared a "non-responsible vendor" and subject to the aforementioned penalties of such declaration.

LATE SHIPMENTS

The City will notify vendors with a written letter of warning each time an order is received later than five (5) working days past the due date. Receiving due dates are noted in the "**Maximum Delivery Times**" section of this specification. Any vendor receiving such a warning letter, will be required to submit to the City, in writing, a detailed explanation of the delay and what remedies have been implemented to insure future contract compliance. The City reserves the right to immediately terminate the contract with any vendor who receives a total of three (3) such letters of warning within any one (1) year time frame. Should termination occur, the holder of the contract will be declared a "non-responsible vendor" and subject to the aforementioned penalties of such declaration.

REJECTED GOODS

Any goods rejected by the City, for whatever reason, are to be picked up by the vendor within forty-five (45) days of the date of written notice to the vendor of the rejection. The City shall seek all legal remedies available to it to dispose of any rejected materials left past this time frame including, but not limited to, transport to an approved and licensed landfill for disposal.

MINIMUM ORDER QUANTITIES

The City will consider bids requiring reasonable minimum order quantities. Vendors are to state in the "**Exceptions to Specifications**" area for each product any minimum order quantities required for the FOB shipping of the item(s). Failure by vendor to state a minimum order quantity will obligate vendor to ship any quantity ordered by the City. The City reserves the right to determine what a "reasonable" minimum order quantity is based on the City's historical and projected future usage information. The City will reject any bid which requires an unreasonable minimum order quantity. The quantities on the bid form are **estimated annual quantities only**.

MAXIMUM DELIVERY TIME

Timely delivery shall be a consideration. **Unless else wise noted in the detailed specifications sections, the successful bidder(s) shall guarantee full delivery within twenty (20) working days from the receipt of purchase order for any item(s) ordered.** Failure to meet this or other stated delivery requirement will constitute grounds for the termination of this contract and the declaration of the vendor(s) as a "non-responsible vendor", which could result in the rejection of any future bids submitted by the vendor(s).
