Mobile Food Vendor Permit Conditions for Private Property

Business Name: _____

Owners Name: _____

PRIVATE PROPERTY REQUIREMENTS

All persons conducting business from a mobile food vehicle or pushcart on private property shall have written permission of the owner of the property on which it will be located. Such written permission shall be available upon request by the representative of any regulating agency. The written permission shall consist of a valid copy of executed Lease(s) or Letter(s) of consent from property owner(s) for each private site.

By signing below I acknowledge that if such written permission is not able to be produced upon request, the mobile food vehicle and/or pushcart shall be deemed a public safety hazard and may be ticketed and impounded. In accordance with all conditions outlined in ORDINANCE NO. 13-174, the applicant agrees to comply with the following requirements. **PLEASE INITIAL NEXT TO EACH LINE ITEM :**

- Vending may not obstruct the use of any street intersection or pedestrian crosswalk.
- Vending shall not impede the ingress or egress of any driveway.
- Vending shall not obstruct pedestrian space.
- Shall not impede or obstruct the ingress or egress of any building.
- Any power sources must be depicted on the site plan and must meet all applicable electrical code standards.
- Vending structures shall not be left unattended or stored at any time on the open vending site when vending is not taking place or during restricted hours of operation.
- Amplified sound or sound equipment must comply with the City of Birmingham Noise Ordinance. The decibel levels for any generator(s) used shall not exceed 80 dBA.
- Any and all signage must be contained on the private property. At no time shall any signage be placed within the public rights-of-way.
- It is unlawful to dispose of grease or any other waste from a food truck in a storm sewer inlet, gutter, or anywhere other than at properly designed and maintained facilities at the commissary.
- Permit Decal issued by Tax and License must be clearly visible on MFV while in operation, at all times.
